25X1 1. Dispatch [redacted] requested the exact wording which [redacted] should use in referring to his duties with our Agency when filing his tax return. In conformance with our established policy for covert personnel, the designation should be simply "U.S. Government". The addition of the words "confidential translating" should not be used.

25X1 2. We assume that this is the only question raised, and that [redacted] qualifies under the exceptions to the usual rules regarding resident aliens.
